Clarence R. Hildreth, the carpenter and builder, is under agreement with E. C. Robertson & Son of Hinsdale to build the new paper mill which they are to erect on the river at Lower Ashuelot the com-ing season. The mill will be of brick, 130 feet long, and will have the latest ma-chinery and appliances for the manufac-ture of tissue paper. Work will begin as early in April as possible and it is hoped to have the mill running about

Brattleboro lodge, No. 102, F. & A. M., conferred the entered apprentice degree at a special communication Friday even ing. On Tuesday evening at the reg-ular communication of Columbian lodge, No. 36, F. & A. M., District Deputy Grand Master Buell of Wilmington made an official visitation and reviewed the work of the fellow craft degree. Refreshments were served following the work. Last evening Fort Dummer Royal Arch chap-ter conferred the royal arch degree.

Malcolm Moody died at his home in Pasadena, Calif., Feb. 1. Mr. Moody was for many years a respected resident of Brattleboro. He left here in the fall of 1890, going directly to Pasadena, where he had bought a home. At that time he resigned as assistant treasurer of the Vermont Savings bank, with which in-stitution he had been connected 24 years. His home here for many years was in Centreville. He is survived by a daughter. Dora Moody Williams, wife of Dr. Thomas Williams of San Francisco.

On Sunday morning, following fourth quarterly conference of the Meth-odist church, S. M. Yeaw, superintendent of the Sunday school, was taken com-pletely by surprise by the presentation of \$25 in gold and an album containing the names of the members of the school. Mr. Yeaw had asked the presiding elder to speak to the school at the close of the session, which was just what others had planned to do. The presiding elder accepted the invitation and when he had finished be called on Rev. Mr. Lewis for further remarks. Mr. Lewis presented the gifts in behalf of the school in recognition of Mr. Yeaw's faithful service the past three years. Mr. Yeaw is now serv-

ing his fourth year as superintendent. Dr. H. D. Helton has been in Highgate week to assist the local officers in coping with a scarlet fever epidemic throughout the state under the auspices of the state board of agriculture. As a result of more knowledge and practice of hygrene the average of human life has twenty years. The tendency in the state, is toward a rapid advancement along the ne of hygiene. Some sections are still ackward and unbygienic, but these are rapidly coming into line. Complete re-turns of the vital statistics of Vermont for the year 1992, show the lowest death that year thirty-nine people in the state died at an age over 95 years, and of these

nine were over 100 years old. burning locomotive leased of the Rutland railroad for use on the Brattleboro & Whitehall road was made Sunday and the first business trial was made Monday, when the locomotive was used to haul the Londonderry. Everything worked well and soon attained to such a degree of kinglets, which are more common than until Jamaica was reached, when a wheel preficiency that she was given what is usual this winter, blue jays, a flock of under the tender broke. A locomotive was sent from Brattleboro with a new wheel, but it did not fit. The "relief" locomotive hauled the train back to Braitleboro, arriving about 6 o'clock, but at the crossing near the Crosby store house the locomotive jumped the track, delaying the train until about 9 o'clock. The morning passenger train came in on time, but was reversed and sent back in place of the mixed train. It is believed that the Rutland locomotive will do the work required but it was unfortunate that there control and the communicant in St. Michael's communicant in St. Michael's is a communicant in St. Michael's is a species never before reported in Brattleboro, A week ago he saw a flock of the town two white throated sparrows, a species never before reported in Brattleboro, A week ago he saw a flock of from 50 to 75 goldfinches and tree sparrows, which remained together all day. There are in the village several flocks of prince grouped that the Rutland locomotive will do the work required but it was unfortunate that there land locomotive will do the work required but it was unfortunate that there age takes hold of work other engine on the road.

The Y. M. C. A. resums were in charge of L. J. Hetting from Friday to Monday of account of the illness of Secretary Reed.

"A Cat Proof House for Bluebirds" is the subject of an interesting article by W. H. Phillips in the February number of Country Life in America. An illustration shows the bird house in Mr. Phillips's garden on Fearl street. It was made from a hollow apple tree limb, with a board nailed on each side to make it tight and a hole bored in the side, under a knot, for a front door. The house is ing plate nine inches in diameter fasten-ed half way up the pole serves as a protection from climbing cats. Five days after the house was up in position a pair of bluebirds "set up housekeeping" in it and during last senson they raised in it

experience Monday morning that comes to o man but once in a lifetime. He started for Brattleboro with the cows and a culf, which he had sold to E. H. Akley for for Brattleboro with the cows and a culf, the following: "The Rev. Israe McAna, which he had sold to E. H. Akley for once the pastor of the Methodist church shipment in the stock train, tied in the in this place, is now, at the age of \$2. sled. After passing the West Guilford at the head of the Boydton Institute, a fill he got into a drift which had been piled up by the high wind during the right and his sled was overturned, the right and his sled was overturned, the cow which was on the upper side going clear over the others and landing against a barbed wire fence. She was not badly a loud call for him to return, as the man burt, but was not able to get up, being chosen for his successor, whatever his hurt, but was not able to get up, being chosen for his successor, whatever tied to the sied. After making sure that age, is not equal to the situation. his lorses were not going to attempt to shows extraordinary virility upon the run Mr. Thurber untied the rope which hold one of the cows and cut the ropes folding the others. He also cut the wire fence with an axe and after considerable trouble and delay was able to resume his work which kills most men, but something a great deal less important warrs.

Mrs. John Allen of South Londonderry, formerly of Bruttleboro. The body was placed in the tomb in Prospect Hill cemetery. Funeral services will be held in the spring.

Thomas Miller of West Brattleboro widely known as a horseman, was outly bitten Wednesday by a stallion t he may lose his left hand. Mr. Miller had been caring for the animal, which is owned in Holyoke and as he entered the stall the stallion seized his hand in its mouth. Mr. Miller struggled to free himself, but the big teeth ground into desh and he could not get away until he climbed into the manger and with hi right hand choked the beast until it wa forced to release its grasp. Then Mr Miller fell backward from the manger through a window, and he was found helpless in a dazed condition in the snow Roberts found that Mr. Miller's wrist was disjointed and one of the bones had bee forced through the flesh. The hand an wrist were crushed and covered with teeth marks. It was thought at first that count of the badly mangled condition of the wrist, but the doctor concluded to wait a few days, boping to save the hand. Mr Miller is 65 years old and has handled horses for years. The stallio had not been known as a particularly vis ious animal.

Rev. John Anderson, 77, who died at his home in Cambridge, N. Y. Feb. 1, was well known in Brattlehoro through his visits here to Mrs. Anderson's relatives His childhood home was in Port Huror Ontario. He graduated with distinction Ontario. He graduated with distinction from Union college in 1852, taught in Greenwich, N. Y., academy, and graduated from the theological seminary in Newburg, N. Y., in 1856. He married in 1857 Mary B., eldest daughter of the late Dr. H. C. Gray of Cambridge, N. Y., a sister of Mrs. Florence G. Estey and Mrs. Angle G. Cobb of Brattleboro. Mr. Angle G. Cobb of Brattleboro. derson filled pastorates during a term 20 or more years in Indiana and Mich igan, and the past 16 years had lived in the old Gray homestead in Cambridge baying no settled pastorate but filling many of the helpful duties which are the lot of a good pastor. He was an earness unselfish, devout Christian, who sough not to be ministered unto but to minister whose delight was in doing good am helping others, whose devotion to wife children and all friends was marked anbeautiful. Mr. Anderson is survived b Mrs. F. S. Goodman of Montclair, N. J. Dr. H. G. Anderson of Waterbury, Conr. Grace E. Anderson of Ottawa, Canada John B. Anderson of Washington, D. C. and Charles G. Anderson of Cambridge

## All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite. To cure catarrh, treatment must be

constitutional-alterative and tonic. "I was afflicted with catarrh. I took medicines of different kinds, giving each a fair trial; but gradually grew worse until I could hardly hear, taste or smell. I then concluded to try Hood's Sarsaparilla, and after taking five bottles I was cured and have not had any return of the disease since." Eugene Forbes, Lebanon, Kan.
